

XAT ESSAY TOPICS –

XAT 2013

- Corruption is the root cause of economic slowdown in India.

XAT 2012

- Government is not addressing the root cause of poverty.
- Government is not able to implement the policies properly due to the huge magnitude of poverty.

XAT 2011

- The statesman who would attempt to direct private people in what manner they ought to employ their capitals, would not only load himself with a most unnecessary attention, but assume an authority which could safely be trusted to no council and senate whatever, and which would nowhere be so dangerous as in the hands of a man who had folly and presumption enough to fancy himself fit to exercise it.

XAT 2010

- Earth provides enough to satisfy everybody's need but not everybody's greed.

XAT 2009

- The Inherent vice of Capitalism is unequal sharing of blessings and the inherent virtue of Socialism is equal sharing of misery.

XAT 2008

- Gender imbalance will lead to Third world war.

XAT 2007

- Economic growth without environmental damage – a mirage or a reality.

XAT 2006

- India has one of the largest pool of talented manpower, but few innovations and patented products.

XAT 2005

- More than one billion Indians: A gigantic problem or a sea of opportunities.

XAT 2004

- Asked at the age of 83, as to which of his project would he choose as his master piece, Frank Lloyd wright, the architect answered, "The next one".

XAT 2003

- To give real service, one needs to add something that cannot be bought or measured, like sincerity and integrity

XAT 2002

- Indian Economy in the Post WTO Era.

XAT 2001

- Economic Growth without distributive justice can only lead to violence.

XAT 2000

- Ships in harbor are safe; but that is not what they are built for.

XAT 1999

- That is what a Television really is; it is another eye so you can see anywhere; another part of your heart so you can feel and care about things you never felt and cared about before; another ear to hear strange music ... the first and only International language.

XAT 1998

- Max Weber, a German Sociologist, defined state as an entity that has a monopoly over legal violence. India proves that the converse is also true; if criminals cannot be punished by the law, its effect they become the state.

XAT 1997

- By the third or fourth week of the term, business school had succeeded in afflicting me with a variation of the Stockholm syndrome, named after the incident in which a hostage in a Stockholm bank robbery fell in love with one of her captors.

XAT 1996

- There is no right way of doing a wrong thing.
